Mr. Thomas F. Johnson,
Springfield College,
Springfield, Mass.

Dear Sir:

Received your letter of March 18th.
It was very interesting and complete.

I am sorry that I am unable to give you a favorable answer at this time, but it is impossible for us to try every Ball player who writes us. Our League Season opens May 5th and I would suggest that you find out when The Eagles are in your neighborhood or when it would be convenient for you to come to Newark and have a talk with the Manager and probably a work-out.

We are playing in Hartford, Conn. on May 26th, and planning at this time to be in Springfield the following day Monday, the 27th.

I would suggest you write again to remind us, if you are still interested and I will ask the Manager to see you on one of these trips.

Yours very truly,

AM:CCJ
